LEKKER VERJAAR

bid

Netherlands and Flanders: Pray for the Bible Booster project, which equips Bible Societies with digital tools to engage people with Scripture, build communities and enhance sustainability. We pray for wisdom as we support Bible Societies in their digital transformation.

Switzerland: Pray for our efforts to bring God's Word to prisoners, hospital patients, migrants and refugees. We pray for strength and wisdom for chaplains as they distribute Bibles and provide spiritual support. Pray that Scripture will bring hope, comfort and transformation.

Belgium: Once a traditional Catholic country, Belgium has become one of the most secular nations in Western Europe. Though prosperous, its Christian values have eroded. Many Belgians are indifferent to the Gospel and atheism is rising. Pray for a revival and hunger for God's Word.
