bid

Republic of Ireland: Pray for our efforts to work with all Christian churches and individuals to provide Bible resources, guides and biblical study materials, help and expertise. Pray that our hands will be strengthened as we raise funds for the translation, production and distribution of God's Word in other countries.

Northern Ireland: Pray for our Whole Family Bible Engagement initiatives, including Bibles for Babies, Lament and 52. Ask God to deepen the faith of children, families and church communities as they engage with these resources. Pray that the World Day of Prayer theme: 'I know the plans I have for you', will inspire reflection and hope.

England and Wales: Pray for the African Biblical Leadership Initiative (ABLI), which aims to influence African leaders through Scripture. Pray for wisdom for the organisers, impactful discussions and broad participation. Ask for transformation in leadership across Africa, rooted in biblical principles of justice, peace and socio-economic development.

Scotland: Pray for the Bible-based Trauma Healing programme. Ask God to equip facilitators, bring healing to participants and guide the development of resources for young people. May this initiative help reconnect people with Scripture and provide hope in the face of trauma.
